Bulletin No: 14

WW/TC/22/05/12/14

COLOR: **Amber**

Advisory for Low-Pressure area

Issued by the Natural Hazards Early Warning Centre

Issued at 03.00 p.m. 12th May 2022

For West Central Bay of Bengal Sea areas

PLEASE BE AWARE!

The Depression (remnant of cyclonic storm 'ASANI') over coastal area of Andra Pradesh weakened into a Low-Pressure area and lay centered near 16.2N and 80.9E at 08.30 a.m. on 12th of May, about 700km north of Kankasanturai. It is very likely remain the same region and weaken further during next 12 hours.

For Sea Area

There can be heavy showers or thundershowers, strong winds (**40-50**) kmph gusting up to **60 kmph** associated with rough seas over the aforementioned sea areas.

Naval and fishing communities are advised to be vigilant in this regards.

This is the last bulletin about the system.
