Bulletin No: 01

WW/TC/20/11/27/01

COLOR: Amber

Information bulletin for possible formation of the low pressure area in the south-east of Bay of Bengal

Issued by the Natural Hazards Early Warning Centre

Issued at 9.00 p.m. 27th November 2020

For the Island and sea areas off east coast of Sri Lanka

PLEASE BE AWARE!

There is a possibility to develop a low pressure area in the south-east of Bay of Bengal during next 36 hours. It is likely to affect weather over the island and surrounding sea areas during next few days.

Department of Meteorology is closely monitoring the situation and requested fishing and naval community to be vigilant and to be attentive about future bulletins issued by the Department of Meteorology in next few days.
