Bulletin No: 03

WW/L/22/12/09/01

COLOR: **Amber**

Advisory for Heavy Rain and Strong winds.

Issued by the Natural Hazards Early Warning Centre

Issued at 10.00 a.m. 09 December 2022, valid until 10.00 a.m. 10 December 2022

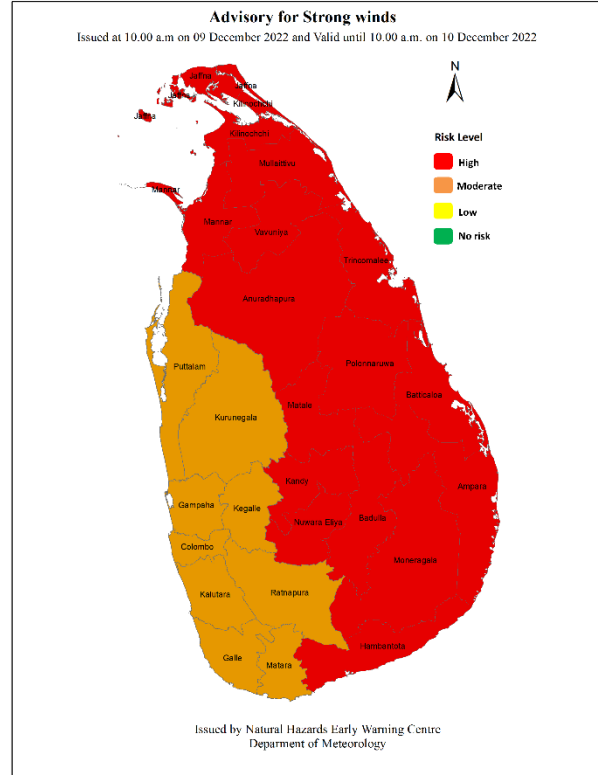

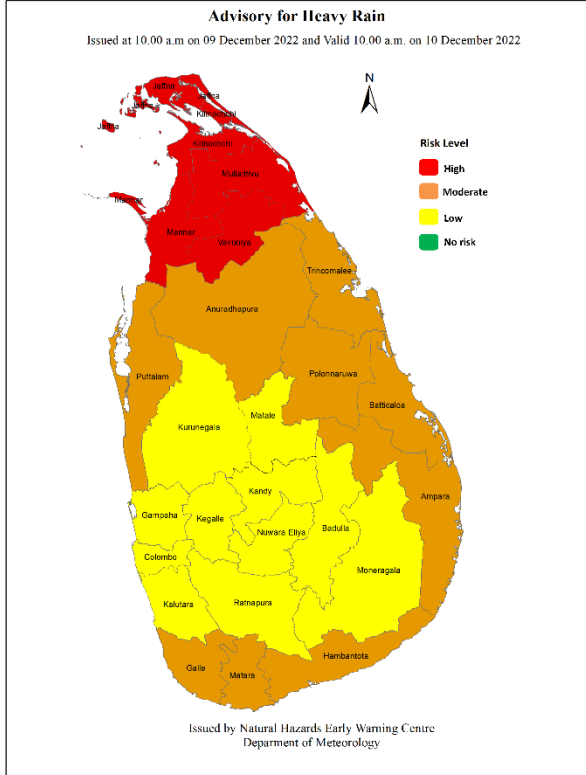

For Northern, North-Central, Eastern, Uva & Central provinces.

PLEASE BE AWARE!

The Severe Cyclonic Storm "Mandous" over Southwest Bay of Bengal (230km east-northeast of Jaffna) is very likely to move northwestwards and cross North Tamil-Nadu, Puducherry and South Andhra Pradesh coast over Southwest Bay of Bengal around night hours of 09th December.

Hence, Showers or thundershowers will occur at times in the Northern province. Heavy rainfall above **100 mm** can be expected at some places in the aforementioned areas.

Strong gusty winds about **(60-70) kmph** can be expected at times over the Northern, North-Central, Eastern, Uva & Central provinces and in Hambantota district.

Color: -Red
Waning (Take action)

Color: -Amber

ACTION SUGGESTED:

- Beware of fallen trees and power lines.
- General public is kindly requested to take adequate precautions to minimize damages caused by temporary localized strong winds and lightning during thundershowers.
- Be alert on the advisories issued by the Department of Meteorology.
- For emergency assistance contact the local disaster management authorities.
