## Advisory for the Low-Pressure area over Central Bay of Bengal

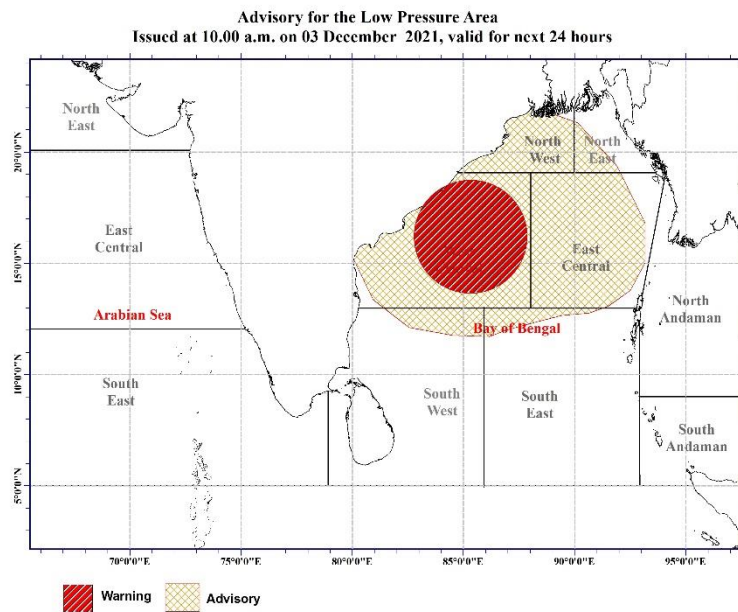

Issued by the Natural Hazards Early Warning Centre

Issued at 05.30 p.m. 03<sup>rd</sup> December 2021

### For the deep-Sea areas of Central Bay of Bengal.

### PLEASE BE AWARE!

The Deep depression over West central Bay of Bengal is concentrate in to the cyclone 'JAWAD'(pronounced as Jowad) and lay centered at Lat. 15.0°N and Long. 85.3°E. It is likely to move North-Northwestwards and intensify further and reach west-central Bay of Bengal off north Andhra Pradesh – south Odisha coasts by tomorrow, the 4th December morning. Very strong winds of (60-70) kmph gusting up to 80 kmph with very rough seas will be expected these sea areas.

### FISHERMAN ADVISORY:

- Naval and fishing communities are advised not to venture into the deep-sea areas of north part of South-west Bay of Bengal, and West-central Bay of Bengal Sea areas during next 48 hours.
- Those who are out at Sea over these regions are advised to return to coasts or moved safer areas immediately.
