Bulletin No: 03

WW/L/21/11/25/03

COLOR: Amber

Advisory for Heavy Rain

Issued by the Natural Hazards Early Warning Centre

Issued at 10.00 a.m. 25th November 2021, valid period until 10.00 a.m. 26th November 2021

For Eastern, Uva, Sabaragamuwa, Central, North-western, Western and Southern provinces and in Polonnaruwa district

PLEASE BE AWARE!

The prevailed low-level atmospheric disturbance over south-east of Sri Lanka and adjoining south-west Bay of Bengal has developed into a low-pressure area and currently located in east of the island.

Rainy Conditions:

Under the influence of this system, heavy showers above **100 mm** can be expected at some places in Eastern, Uva, Sabaragamuwa, Central, North-western, Western and Southern provinces and in Polonnaruwa district.

Fairly heavy showers above **75 mm** can be expected at some places elsewhere in the island.
